

# The Rainbow Questions

Hello, we need your help!

Please complete the 7 Rainbow Questions below.

You may remember you also answered the same questions last October. We need to see how things have been for you over the year. We will compare your new answers with your answers from last October to see how you have progressed in the year and to see if **Islington Centre** has helped you.

We are asking you to do this because it is important for us to measure our impact and see how we can help you better. Money for the Islington Centre comes from charities and people who want to support the work we do. These charities ask us many questions about our work and how it helps people.

## **IMPORTANT:**

If you do not understand the questions or would like help then please contact your group leader who will help you on the phone.

We look forward to hearing from you.

Thank you! 😊

From everyone at Islington Centre for Refugees and Migrants
